1. I understand, and am well aware, that option trading may be speculative in nature. I am also aware that on certain days, option trading may cease and this could result in a financial loss to me. I agree to hold the company, its other divisions, and its officers, directors and agents harmless for such loss.
2. I understand that any option transaction made for any account of mine is subject to the rules, regulations, customs and usages of The Options Clearing Corporation and of the registered national securities exchange, national securities association, clearing organization or market where such transaction was executed. I agree to abide by such rules, regulations, custom and usages and I agree that, acting individually or in concert with others, I will not exceed any applicable position or exercise limits imposed by such exchange, association, clearing organization or other market with respect to option trading.
3. If I do not satisfy my transaction obligations on a timely basis, you are authorized in your sole discretion and without notification, to take any and all steps you deem necessary to protect yourself (for any reason) in connection with option transactions for my account including the right to buy and/or sell for my account and risk any part or all of the shares represented by options handled, purchased, sold for my account, or to buy for my account and risk any option as you may deem necessary or appropriate. Any and all expenses or losses incurred in this connection will be reimbursed by me.
4. In addition to the terms and conditions hereof, my option account will be subject to all of the terms and conditions of all other agreements heretofore or hereafter at any time entered into with you relating to the purchase and sale of securities except to the extent that such other agreements are contrary to or inconsistent herewith.

6. I have received from the company the most recent risk disclosure document entitled "Characteristics and Risks of Standardized Options". I have read and understand the information contained in this document.
7. I understand that you assign exercise notices on a random basis. You may preferentially assign exercises of block-size (i.e. covering \$1,000,000 or more of underlying securities) to block-size writing positions and you may preferentially assign smaller exercises to smaller writing positions. I understand that upon my request you will provide me with further information regarding the procedure used to assign exercise notices.
